

**UNC Asheville. SERIOUSLY CREATIVE.**

## The Department of Management and Accountancy The Gould Killian CPA Group, PA Scholarship

Gould Killian CPA Group, P.A. traces its beginnings to 1966. While the name of the firm has changed over the years, there has been an underlying consistency in quality accounting services. The firm has had steady growth and stable, long-term relationships with its clients. Our total staff of about 40 individuals includes CPAs, accountants, and administrative personnel. Located in the Sawyer Motor Company Building on Coxe Avenue in downtown Asheville. The building, completed in 1926 is one of the most intact surviving automobile dealership buildings in downtown Asheville from the early twentieth century. Gould Killian's approach to the practice of accounting is one of team work. Within the firm, we put the resources of a diverse professional staff to work for our clients by operating as a team. We also work as a member of a professional team that includes the client's attorney, banker, insurance agent, stockbroker, and other professionals. We believe that to provide our clients with quality accounting and tax services we must know the client and the client's business. With us, a client isn't simply a set of faceless numbers. We strive to learn the needs and goals of the individuals and the businesses behind the numbers. With this philosophy in mind, Gould Killian CPA Group, P.A. decided in spring of 2008 to support the University of North Carolina's accountancy major an annual corporate scholarship. This annual award will go to a deserving student, selected by the Department of Management and Accountancy faculty who meets the criteria listed below.

### **Criteria for the Award**

- Applications and/or recommendations are to be submitted to the Department of Management and Accountancy prior to the date listed on the department scholarship application of the proceeding academic year.
- Declared major in Accounting
- Demonstrate academic merit

### **Selection Process**

A department selection committee will recommend a candidate or candidates (depending on the number of available scholarships) to the full-time department faculty for approval. The Chair of the Department of Management and Accountancy will then forward the name or names of the candidate or candidates nominated for the scholarship to the Office of Financial Aid. The Office of Financial Aid will make the final decision on awarding the scholarship.
